Re: Data Request Pursuant to § 375.307
Equitrans, L.P.
Docket No. CP16-13-000
Equitrans Expansion Project – Responses to data request

Dear Ms. Bose:

On June 24, 2016, the Office of Energy Market Regulation (“OEMR”) issued data requests to Equitrans, LP (“Equitrans”) with respect to Equitrans’ certificate application in Docket No. CP16-13-000. Equitrans submits herewith its responses to June 24 data request, with one exception. Note that Equitrans anticipates that it will submit its response to that question on July 18, 2016. Also attached are the verifications of the individuals providing those responses.

Attachment General-4 includes information that is non-public, Critical Energy Infrastructure Information (“CEII”), and it is appropriately designated as such. Equitrans requests that, pursuant to 18 C.F.R. § 388.112, the Commission treat this information as non-public CEII. Any questions regarding the request to treat these materials as CEII should be directed to the undersigned at the number indicated above.

If you have any questions about the data responses, please do not hesitate to contact me at (412) 395-5540 or pdiehl@eqt.com.

Respectfully submitted,

Equitrans, L.P.
