Ms. Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Re: Equitrans, L.P.
Docket No. CP16-13-000
Equitrans Expansion Project – Supplemental Materials

Dear Ms. Bose:

On October 27, 2015 Equitrans, L.P. (“Equitrans”) filed a certificate application with the Federal Energy Regulatory Commission (“Commission”) in the captioned proceeding for its Equitrans Expansion Project (“EEP”). Equitrans hereby submits the following additional materials in support of that application:

Attachment	Description of Materials	Filing Type
A	Responses to FERC Staff’s Recommended Mitigation in Draft Environmental Impact Statement	Public
B-1	Revised Project Alignment Sheets presented the October 2016 Proposed Route	Public
B-2	Revised Site Plans for the Above Ground Facilities – October 2016	CEII
C	October 2016 Comments on Draft Environmental Impact Statement	Public
D	Table Designating the DEIS Tables, and Appendices Updated For the October 2016 Proposed Route	Public
E	Updated DEIS Tables	Public
F	Updated DEIS Appendices	Public
G	Botanical Surveys for Rare Plants and Habitat Assessment Along the Equitrans Expansion Project	Public
H	Correspondence between Pennsylvania DCNR and Equitrans	Public
I	Updated Phase I Archaeological Survey Report, Avoidance Plan for Site 36WH1706, Supplementary Historical Aerial Imagery and Updated Architectural Survey Forms	Privileged

Attachment	Description of Materials	Filing Type
J	Correspondence between Equitrans and the Pennsylvania SHPO (January 2016 – Present)	Public

Note that the information contained in this filing includes material that is designed to assist the Commission and other stakeholders with proposed changes to the material in the Draft Environmental Impact Statement (“DEIS”) issued on September 16, 2016. For example, Attachment E contains all tables, figures, and appendices in the DEIS that have been updated. Equitrans has designated the changes to certain tables and appendices using strikeouts, underlines and text color. In addition, Equitrans is including additional correspondence with state agencies and other materials in this submission, including additional material responsive the Commission’s June 24, 2016 data request (see Attachments G and I).

The material submitted herein contains Public, Critical Energy Infrastructure Information (“CEII”) and Privileged Information. The materials that contain CEII and Privileged Information are appropriately labeled as such. The person to be contacted regarding the request for treatment of Volumes 2 and 3 as CEII or Privileged Information is:

Paul W. Diehl
