Docket No. CP16-13-000
Equitrans Expansion Project – Response to data request
OEP/DPC/CB-1

Dear Ms. Bose:

On January 18, 2017, the Office of Energy Projects (“OEP”) issued a data request to Equitrans, LP (“Equitrans”) with respect to Equitrans’ certificate application in Docket No. CP16-13-000. In its response submitted on February 2, 2017, Equitrans indicated that they were working with Peoples Natural Gas Company LLC (“Peoples”) towards an agreement that would result in Peoples withdrawing its protest, and that Equitrans would submit a supplemental response by February 9, 2017. Please be advised that discussions are continuing and Equitrans will provide another update on or before February 16, 2017.

If you have any questions about the data response, please do not hesitate to contact me at (412) 395-5540 or pdiehl@eqt.com.

Respectfully submitted,

Equitrans, L.P.
